

## Charity Testimonials

The Delek Tournament for Hope is one of **United Cerebral Palsy's** foremost fundraising activities. For UCP this is a "dream come true" special event. Delek has a first-class tournament and 100% of the funds we raise benefit UCP with no up-front costs. Even better, Delek's multi-faceted event strategy creates opportunities for a greater return on investment through auction items and player performance. Delek provides all the special touches that make for a great experience and our players are never disappointed.

- Erik Milam, Board Chair

---

"**The Tennessee Golf Foundation** has been so fortunate to have participated in the Delek Tournament for Hope since its inception. We value our Delek relationship as a true partnership – they are world class business leaders in their fields of endeavor and the TGF is a national leader in youth golf and core values development. The First Tee and our children of Ft. Campbell soldiers have benefited through the funds that Delek has provided. Golf is simply the hook and the vehicle for us to teach the core values of life to our young participants. Many people do not know the fact that the Delek Tournament for Hope is the single largest fund raising annual tournament in Tennessee- larger charitable proceeds than even than the PGA Tour's St. Jude Classic!"

Dick Horton, President, Tennessee Golf Foundation

For the past two years, we at **Habitat for Humanity Williamson-Maury** have been blessed to be chosen as an invitational charity with the Delek Tournament for Hope. Prior to this opportunity, we hosted our own golf tournaments, and although we did well financially, the planning, logistics, and time spent on the tournament was grueling and the net result was disappointing.

Events, especially those as large and well-run as the Delek Fund for Hope, do more than just generate money. They promote our mission and share the great work we are doing in our community. We are grateful for the opportunity to join the Delek team and enjoy the benefits of a golf tournament without the burden and expense of running the event ourselves. As a smaller, self-sufficient affiliate charity, this tournament is a tremendous blessing.

- Kim Randell, Director of Development

---

**Nashville Children's Alliance** has been fortunate to participate and partner with the "Delek Fund for Hope" for the past 6 years. Not only is it a huge return for us financially but it is one of the events that our staff and board fully support and look forward to attending every year. It has been a pleasure to work with the staff at the "Delek Fund for Hope" as they make it so easy for us to raise money with this event. This truly is an opportunity of a lifetime for our agency and our hopes are to participate in a more impactful way every year.

-Courtney Watson, Director of Development

The support the **Agape House** received as a beneficiary of the 2015 Delek Tournament of Hope, El Dorado was crucial to the success and growth of our ministry to care for Union County foster kids! The Delek organization and tournament staff were amazing to work with and made our experience amazing! We can't wait to partner with them once again for the 2016 tournament.

-Melinda Hays Gatheright, Administrator
