*at Delek US Holdings*

# About Delek US Holdings

Delek US Holdings is a diversified downstream energy company with operations in three primary business segments: petroleum refining, logistics and convenience store retailing. Refineries are located in Tyler, Texas and El Dorado, Arkansas, and the corporate headquarters is located in Brentwood, Tennessee. Delek employs more than 4,000 people across the eight states.

The Delek Fund for Hope was established in 2008 as a way to maximize Delek’s support for charities within the communities where our employees and customers live and work. The fund raises money through special events, grants from the Delek Corporation, donations from employees, and retail store collections. In turn, the Fund issues grants to qualified 501(c)3 charitable organizations.

## Through the Delek Fund for Hope

**\$9.3 million  
has been  
awarded**

***to charities where Delek employees live & work.***

Employees are invited to serve on committees to lead community involvement in their region. All funds donated by employees remain in their community and direction of funds are guided by local committee members.

The Delek Fund for Hope manages Delek Corporation's Employee Payroll Deduction program. The Delek Fund for Hope is a donor-advised fund held by the Community Foundation of Middle Tennessee who ensures proper handling and disbursement of funds.

Funds collected in each city/region are donated to organizations recommended by local committees.

***In 2015, employees donated \$62,810 through Delek's payroll deduction program.***

## Employee Contributions *through* Payroll Deductions

# Brentwood, Tennessee Headquarters

Employees at the Brentwood headquarters donated \$22,454 through payroll deductions in 2015. Combined with corporate donations, the Nashville Tournaments for Hope, and MAPCO store initiatives, \$7.5 million has been donated to Tennessee charities since 2008!

Employees at the Brentwood headquarters hosted several events to benefit Middle Tennessee charitable organizations in 2015. Breakfasts, lunches, ice cream parties, auctions, and a corn hole tournament took place with all proceeds and donations going to charities.

Delek/MAPCO was honored to be named a 2015 National Top 20 Pacesetter Team for Making Strides of Nashville. We look forward to continue making strides against breast cancer alongside the American Cancer Society!

The Delek Fund for Hope focuses on children's causes including St. Jude. Employees in Brentwood participated in walks and did a week of fundraisers to support children's cancer research.

# Corporate Employees Taking *ACTION*

In addition to numerous hours volunteering for the Nashville Tournament for Hope, employees at the Brentwood Headquarters participate in several efforts throughout the year to support and raise money for Middle Tennessee charitable organizations.

## **KaBoom! Playground Build**

Once a year, Brentwood employees team up with the Nashville Predators Foundation and volunteer to build a playground in the Nashville area.

## **BIKE MS: Jack and Back**

For several years, Delek/MAPCO has entered a team to ride from Franklin to Lynchburg. In 2015, the team was honored as the 2nd place “Top Team” by raising \$3,470.

In addition to biking, Delek/MAPCO sponsored a rest stop and staffed it with volunteers.

# Delek Refining in Tyler, Texas

Since 2008, **31** charities in Tyler and East Texas have received **\$735,884** from the Delek Fund for Hope through employee efforts.

**Over \$205,307 was donated to Tyler area charities in 2015!**

# El Dorado Employees Taking *Action*

In addition to donating **\$37,127** through payroll deduction in 2015, Delek employees lend their time and talents to better their community!

**How is gas made?** Just ask these Upward Bound students! The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits. Students got a behind-the-scenes refinery tour, pizza party, and Delek/Lion Oil goodies to take home.

## Agape House's "Foster the Kids" Campaign

Delek employees were challenged to raise \$1,000 within 5 hours for the Agape House Children's Home. Their reward? Witnessing a Lion Oil executive kiss a pygmy goat!

David Lee from the **Boys and Girls Club of El Dorado** poses with the Delek Fund For Hope - El Dorado Committee at Lion Oil Refinery. Members of the committee voted to award a grant to the Boys & Girls Club to repair & paint the van used to transport children to and from their facility.

# MAPCO Store Initiatives

Customers of Delek's retail stores are given the opportunity to support their local charities through change collection and point-of-sale initiatives. Each region will choose a specific charity to receive funds from their stores.

## Charity Coin Box Collections

Whether it's depositing change in MAPCO charity coin boxes at the register or adding to their credit card totals, MAPCO customers support charities across 7 states including the Boys & Girls Club, Elijah's Heart, the American Cancer Society and many more.

*“When one thinks of a corporate partner that truly gives back to its local community, one only needs to look at Delek as an example to follow. Through the Delek Fund for Hope, countless charities are the beneficiary of much needed funds; funds that allow non-profit organizations to deliver services to those who need it most.*”

*Boys & Girls Clubs have partnered with MAPCO Express, Inc. to help benefit the thousands of youth we serve daily. This partnership involves 50 Boys & Girls Club organizations in seven states serving over 35,000 youth. The allocated funds ensure that youth are afforded opportunities to attend their local club in which they have a safe place to go to each and every day.”*

**Elijah’s Heart** has received more than **\$30,000** from the MAPCO credit card add-on program. Each of these programs contributes to Elijah’s Heart’s mission: to show love to underprivileged children and their families, to assist them with practical needs, and to raise awareness about their desperate situations.

**What began as a single day golf tournament to meet a financial commitment to a local charity has turned into the largest multi-day event of its kind in the state of Tennessee!**

Years before the Delek Fund for Hope was formed at the Community Foundation of Middle Tennessee, Delek was hosting golf tournaments in Nashville to make financial contributions to not-for-profit organizations. In 2008, we realized we could do even more, and the donor-advised fund was created. The fund has grown by leaps and bounds since its creation. **Since 2008, the Delek Fund for Hope has granted out over \$9.3 million dollars to deserving charities.**

Today, the three main Delek Tournaments for Hope take place in three states where Delek has a strong business presence. A few single-day events round out the largest contribution to the Fund, followed closely by Delek US Holdings corporate donations and MAPCO store initiatives. Donations by many of Delek's 4,000 employees represent a smaller but **vitaly important portion of the fund.** Without support both financially and through volunteer efforts, the Delek Fund for Hope would not be where it is today without our dedicated employees.

**On behalf of the Delek Fund for Hope, local committee members, and benefiting charities, all employees are invited to participate in supporting the Delek Fund for Hope. Your gifts through payroll deduction or annual donations are tax-deductible.**

## Charity Testimonials

---

The Delek Tournament for Hope is one of United Cerebral Palsy's foremost fundraising activities. For UCP this is a "dream come true" special event. Delek has a first-class tournament and 100% of the funds we raise benefit UCP with no up-front costs. Even better, Delek's multi-faceted event strategy creates opportunities for a greater return on investment through auction items and player performance. Delek provides all the special touches that make for a great experience and our players are never disappointed.

- Erik Milam, Board Chair

Arkansas Children's Hospital (ACH) is incredibly grateful to have been a beneficiary of the Delek Fund for Hope's Tournament in El Dorado. The generous support received by the Fund helped build the Center for Safe and Healthy Children on ACH's campus, which will provide care and healing to children who are victims of abuse and neglect. The Delek Fund for Hope's gift is helping ACH care for some of the most vulnerable children in our state and is furthering our mission to make children better today and healthier tomorrow.

- Jennifer Barnhouse, ACH

"The Tennessee Golf Foundation has been so fortunate to have participated in the Delek Tournament for Hope since its inception. We value our Delek relationship as a true partnership – they are world class business leaders in their fields of endeavor and the TGF is a national leader in youth golf and core values development. The First Tee and our children of Ft. Campbell soldiers have benefited through the funds that Delek has provided. Golf is simply the hook and the vehicle for us to teach the core values of life to our young participants. Many people do not know the fact that the Delek Tournament for Hope is the single largest fund raising annual tournament in Tennessee- larger charitable proceeds than even than the PGA Tour's St. Jude Classic!"

-Dick Horton, President, Tennessee Golf Foundation

Nashville Children's Alliance has been fortunate to participate and partner with the "Delek Fund for Hope" for the past 6 years. Not only is it a huge return for us financially but it is one of the events that our staff and board fully support and look forward to attending every year. It has been a pleasure to work with the staff at the "Delek Fund for Hope" as they make it so easy for us to raise money with this event. This truly is an opportunity of a lifetime for our agency and our hopes are to participate in a more impactful way every year.

-Courtney Watson, Director of Development

The support the Agape House received as a beneficiary of the 2015 Delek Tournament of Hope, El Dorado was crucial to the success and growth of our ministry to care for Union County foster kids! The Delek organization and tournament staff were amazing to work with and made our experience amazing! We can't wait to partner with them once again for the 2016 tournament.

-Melinda Hays Gatherright, Administrator

The Boys & Girls Club of El Dorado has been fortunate enough to participate with the Delek Tournament of Hope three times and hopefully many more. Our Organization has benefited immensely through our participation and we are able to serve even more youth because of their tremendous support. Working with the Delek staff was a very easy process and they were very helpful with assisting us to maximize our ability to raise funds through the Tournament and Events.
